Dear parent/carer,

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools from Scotland from Monday 8th June 2020 to Thursday 11th June 2020. It's all done online via play.ttrockstars.com.

For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

All game modes (Gig, Garage, Studio, etc.) will count but only from games played between 2PM and 7PM on Monday 8th, Tuesday 9th, Wednesday 10th and Thursday 11th.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans. We suggest a limit of half an hour a day outside school hours - some will play more, some will play less.

Thanks for your support,

Joshua Keitany.
