Matters Arising from Head Teacher's Report – parents from all schools were encouraged to make use of the High School website. All primary websites have links to it. The website is updated regularly and contains a lot of information relevant to parents in the wider ASG not just KLB High School. Do not just rely on Facebook for information.

Volunteers to sit on working Group to look at shared aims, vision and values for the 3 – 18 ASG. It was decided to circulate parents with the current schools' visions and aims statements along with an explanation as to what was required, inviting feedback, and ask for volunteers to attend a meeting to discuss this at a date to be arranged.
